Inclusion of 'Country-oil Mills' under Sec 151 seems to require an amendment of the Section. It does not seem that this can be incorporated by a mere Govt order or by a bye-law.

Clause (o) of the Section is applied in the margin. But use of a place by [illegible] a 'Country oil mill' cannot be said [illegible] to produce thereform 'offensive or unwholesome smells, fumes or [illegible] or dust or risk of fire as is required under that Section so as to bring this thereunder —

There will be certainly protests as all Municipalities will
